

neuronFire

```
graph LR; A[neuronFire] --> B[getNextBigTick]; B --> C[getCurrentBigTick];
```

A flowchart illustrating a sequence of three steps. The first step, 'neuronFire', is contained within a gray rectangular box. A dark blue arrow points from the right side of this box to the left side of the second box. The second step, 'getNextBigTick', is contained within a white rectangular box with a black border. Another dark blue arrow points from the right side of the second box to the left side of the third box. The third step, 'getCurrentBigTick', is contained within a white rectangular box with a black border. The boxes are arranged horizontally and are of equal size.

getNextBigTick

getCurrentBigTick
